CAMP RISE AND SHINE

BUGLE

"If you then be risen with Christ..."

Colossians 3:1

"Let your light so shine..."

Matthew 5:16

Greetings from Camp Rise And Shine !

It has been an unusual winter this year. We started off with a little bit of cold weather and then mild for about a month and a half. Then winter hit us with some pretty cold temperatures and light snows on and off for a few weeks. Now it looks like Spring may be in the air. We are praying for some good dry weather so we may be able to work on the new building.

The building project has been at a standstill for some time now waiting for block layers and good dry weather. It will take a miracle to get the building ready for camp this Summer, but we trust God will provide. We are lining up workers for this project now so we will be ready when the weather breaks and the ground dries.

Once this building is finished we will be able to handle more campers. This is why we feel it is important to finish the building as soon as possible. We will be able to minister to more young people and get more of them under the sound of the Gospel. Please pray that we will get workers, funds, and good weather!

God bless you! Love in Christ,

Mark & Betty Dudley
