# CAMP RISE AND SHINE BUGLE

"If you then be risen with Christ..."

Colossians 3:1

"Let your light so shine..."

Matthew 5:16

Praise God! Three professions of Faith were made during camp this year. Two girls and one boy accepted the Lord Jesus as Savior. We are sure other decisions were made during camp and pray that the seed planted will continue to bring forth fruit.

We had 35 people involved in camp this year including campers, counselors, speakers, and guests. We hope to add to that number next year with the possibility of the new building being finished. Please pray for us as we work on the new building through the fall and winter months. Pray for laborers and funds to complete the job.

Thank you for your prayers and support during our camp weeks this year. They really helped!

Love in Christ,  
Mark & Betty Dudley
