

CAMP RISE AND SHINE

"If you, then, be risen with Christ..." Colossians 3:1

"Let your light so shine..." Matthew 5:16

BUGLE

Greetings from Camp Rise And Shine. In our last newsletter we mentioned our plans to build a cabin for the campers. We are blessed to be able to say that enough funds have been received to get one built. Our thanks to everyone who donated! We are now in the progress of building the cabin. Our next expense will be to build or buy bunkbeds and mattresses.

Another thing we talked about was a trip camp this year similar to the one we did in 2013. The trip includes a visit to the *Answers In Genesis Creation Museum* as well as their *Ark Encounter* in Kentucky, and a stop at Greenbo Lake State Resort Park in Kentucky for swimming. The campers will stay at the camp the first and last nights of the week and during the trip our lodging will be at "*The Captain's Quarters*" in Petersburg, KY. We believe this will be an unique and beneficial experience that everyone will be able to share about when they get back home.

We have combined the two girls weeks into one and the two boys weeks into one. They are as follows: Girls ages 8-16 July 17-22

Boys ages 8-16 July 25-30

Our camp experience will cost more because of the trip so we are charging \$235.00 this year for camp. We have sent out registration forms and have had calls wanting help financially with the fee. We have received sponsorship funds already but more may be needed. If you are able to help in this matter, we would greatly appreciate it. We especially appreciate your prayers.

Love in Christ,
Mark & Betty
