BUGLE

March 2017

Summer camp time is 4 months away! It seems the time goes by so quickly. We are excited about what the Lord has in store for us this year. Last year we were able to use the new cabin which was a real blessing. The only drawback was having to use the mats on the floor for sleeping. We would like to build 7 sets of bunk beds for the cabin. We already have the mattresses so we just need the materials to build them. The cost for materials will be about \$150 each.

Another need we have is the swimming pool liner needs to be replaced. The cost will be about \$400 for the liner and other supplies needed to replace it. The pool is a favorite of the campers and is an incentive to bring them to camp. One of these days we would like to have an inground pool but for now the above ground one serves the purpose.

For some time now we have been thinking about building a council time building with a campfire ring in the middle. Our idea is to have an octagon shaped pole building with bench seating in a half circle facing the campfire. Over the campfire it will have a metal hood vented through the roof. We haven't figured out any costs yet as we need to take care of our other needs first.

If you are able to help in any of these areas please fill out the bottom section of this newsletter and send it in.

We are still in the planning stage for our camp program this summer. If you are able to help with camp this year please contact us. We need counselors, kitchen help, game and activity workers, Bible teachers and speakers, etc.

Thank you for your prayers and support.

Love in Christ,

Mark & Betty & the Board of Directors
