"Operation Arctic" was a success! We discovered many things about God's creation in the Arctic and even did some experiments with ice. There is so much to see and learn about our Creator. We discovered things about God's Word and how to "Learn It! Love It! Live It!"

We had a manageable group of eleven girls and nine boys and were blessed with a great group of camp staff this year.

For the most part it was hot and wearing winter clothes each day for twenty minutes for the "Operation Arctic" drama was something. When we get all the pictures together we will try to get some of them on the camp website.

As always, we thank you for your prayers and support. It seems the "enemy" is always trying to thwart things, but we have a God who is mightier. What a mighty God we serve.

All for our Lord and Savior Jesus Christ,
Mark & Betty
