opening in roof

A Success!

Our "GO FOR THE GOLD" theme at camp this summer was a success. Due to the China virus, we had smaller groups each week at camp this year, but with all the great camp workers and campers it was an enjoyable time of learning and fun! Pictures of the many activities are posted on our website. If you are able to take the time to view those, you will enjoy them.

The Work Goes On!

Work at Camp Rise And Shine doesn't end when camp ends. There is always maintenance along with our various projects we have going on. Pictured above is one of our projects. It is a 30 foot in diameter octagon shaped building that we will use for our campfires and other activities and services. We were able to use the area for our campfires this year but we only had the roof framed up and not covered. We are excited about using it next summer when it is completed. God has blessed!

Thank You For Your Prayers And Support!

Camp Rise And Shine would not be a success without you. We really do appreciate your prayers and your financial support! Because of the generous giving and due to fewer campers this year, we have Camper Sponsorships left over that we will carry over to next year. Please pray for us as we make plans for next year so we can continue to spread the Gospel and help shape the lives of young people to follow and serve the Lord Jesus Christ.

Blessings! Mark & Betty Dudley
