

# Camp Rise And Shine

"If you, then be risen with Christ..." Colossians 3:1

"Let your light so shine..." Matthew 5:16

## BUGLE

MARCH 2021

New reserve water system to help during dry seasons

Progress on the new Guest Cottage the "Hilt Inn"

### Progress!

We've made more progress on things at the Camp. We now have a backup reserve water system for when we have dry seasons. (We sure could have used it last summer!) Thanks to Tom and Bea Carr for all the time and effort they put in to install the system.

Also, we are moving along with the new Guest Cottage the "Hilt Inn". Thanks to Scott Hilt, Tom & Bea Carr, Bill & Debbie Carr, Cory & April Dudley, Harold & Brenda Cunningham (and anyone else we may have forgotten).

We are still working on completing the Campfire Building. We need to install the flue and fire ring. Ed & Beth Stembridge came and helped make some more progress.

### Summer 2021.

We are still working on our camp program for the summer. We are scheduling one boys week and one girls week mid July. Please keep us in your prayers as we plan and make preparations.

### We really appreciate your prayers and support!

Camp Rise And Shine would not be a success without you. We really do appreciate your prayers and your financial support! Because of the generous giving and due to fewer campers last year, we have Camper Sponsorships left over that we will carry over to this year. Please pray for us as we continue to make plans for this summer.

In Christ,  
Mark & Betty Dudley
