

Camp Rise & Shine Bugle

"if ye then be risen with Christ..."
Colossians 1:3

"Let your light so shine..."
Matthew 5:16

"Camp Rise And Shine!" was the shout coming from the mouths of the boys and girls at our first camp program this summer. God really blessed in this our inaugural year of camp. During Boys Week we had 5 boys, 1 junior counselor, and 2 counselors. The Girls Week we had a few more with 7 girls, 1 junior counselor and 2 counselors. We had other helpers including kitchen help, craft instructors, nature hike guides, and two pastors and their wives from local churches.

Our pioneer theme this year was a great success. The campers slept in two large cabin tents under the stars. Some of the meals were cooked over the campfire. We talked about the early American pioneers and the needs and struggles they had. We were able to tie it in with the Christian walk and life. During the Missionary Time we learned about some missionaries who pioneered some new ideas to reach people with the Gospel of Christ. (the first radio broadcast in another country, translating the Bible in native languages, taking in orphans and showing them the love of Christ, etc.) We enjoyed singing songs of praise to the Lord during our Bible Time, Missionary Time, and Circle Your Wagons Time. Circle Your Wagons Time was in the evenings when we did skits, sang songs, gave testimonies, and had a Bible message.

It was a real privilege to minister to the lives of young people. We hope to be able to have even more next summer. We thank everyone for your prayers and support this year. We could really see and feel the results of the prayers of God's people. Please continue to lift us up as we work towards the years to come as the Lord wills and tarries.
