

CAMP RISE AND SHINE BUGLE JUNE 2008

"If you then be risen with Christ..."

Colossians 3:1

"Let your light so shine..."

Matthew 5:16

"UNDER CONSTRUCTION". That is our camp theme this year. Since we are "under construction" here at Camp Rise And Shine, we thought that would be a good theme to have and tie it in with our building project and the life of a Christian. As Christians we are always in need of God working in our lives to make us as He would have us to be. If we follow His "blueprint", the Bible, our life will be built on a solid foundation and in our lives will be built the characteristics of Christ. That is the message we would like to get across to the young people at camp this year.

Our camp schedule this year is: Girls ages 11-16, ~~July 13-18~~
Boys ages 11-16, July 20-25
Girls ages 7-11, July 27-August 1
Boys ages 7-11, August 3-8

Camp registration forms may be downloaded from our camp website or mailed upon request.

Please pray for us as we continue to make plans and preparations for camp. We are in need of camper sponsors as well as funds for our new building. We still need volunteers to help at camp. We would also like to get a new pool as the old one is seeing some wear. (It has served us well considering it was just a cheap one from Wal-Mart). One more item: we have picked out a spot for the new pond but we might not start on it until after camp.

Thank you for your prayers and support.
