BUGLE

SEPTEMBER 2009

What a busy summer at camp this year! Working on the new building, getting the ground ready and putting up the new 27' above ground pool, making all the preparations for camp, our weeks of camp, and all our ordinary duties really kept us hopping. We had 36 involved with camp this summer counting campers, counselors, instructors, speakers, and helpers. The Lord blessed us with great weather, great workers, and great campers this year!

Now that camp is over for this year, we can resume work on the building. We have the building under roof and are ready to install windows and doors, interior walls, electrical wiring, plumbing, etc. When we get all the windows and exterior doors put in we will be ready to put siding on the outside. Please pray for laborers and funds (especially funds after a summer of camps) to complete the job.

We appreciate everyone's prayers and support over the years! God bless you!

Love in Christ,
Mark & Betty
