SEPTEMBER 2010

What a great summer at camp this year! We had 36 involved with camp this summer counting campers, counselors, instructors, speakers, and helpers. The Lord blessed us again with great weather, great workers, and great campers this year!

We had an Old Testament survey study that showed God's plan through the ages. It was an overall look at the major events leading to the coming of Christ. Our main theme for camp this year was "Spread the Word". We learned how to tell others about Jesus and "spread the Word".

It was great being able to use the new building even though it isn't finished yet. Now that camp is over for this year, we will resume work on the building. We need to put siding on the outside, do the electrical wiring, plumbing, insulation, etc. Please pray for laborers and funds to complete the job.

We appreciate everyone's prayers and support this year! God bless you!

Love in Christ,  
Mark & Betty
