"If you, then, be risen with Christ..." Colossians 3:1
"Let your light so shine..." Matthew 5:16

BUGLE

March 2019

Greetings from Wild, Wonderful, *and Wet* West Virginia. It looks like 2019 is continuing where 2018 left off. Just like many other parts of the country, we have been getting plenty of wet weather - a little bit of snow and a lot of rain.

Some time ago we mentioned in our newsletter about building a council time building with a campfire ring in the middle. Our idea is to have an octagon shaped pole building with bench seating in a half circle facing the campfire. Over the campfire it will have a metal hood vented through the roof. We have cleared the location but still need to clear and build a road to the site. We have been delayed because of everything being so wet.

If you are able and feel led to help with funds for this project or any other area, please let us know or fill out the bottom section of this newsletter and send it in.

Summer camp time is coming upon us quickly. This year we are planning on using some *Answers In Genesis* resources. Our theme name is *Operation Arctic*. We will tell more about it in our June newsletter as we are still in the planning stage for our camp program.

If you are able to help with camp this year please contact us. We need counselors, kitchen help, game and activity workers, Bible teachers and speakers, etc.

Thank you for your continued prayers and support.

Love in Christ,
Mark & Betty & the Board of Directors
