JUNE 2023

Just about everyone loves a road trip and this year that is what we have planned for our Campers this Summer at Camp Rise And Shine. We will be heading for Kentucky to visit the *Creation Museum* and the life-size replica of Noah's Ark at the *Ark Encounter*. We have been talking to some of the prospective Campers and they are all excited about it! At the Ark they will be able to see just how BIG Noah's ark really was and see how Noah was able to fit all those animals on the ark. The tour has many informative exhibits. The Creation Museum is just as exciting and the Campers will be able to see a portrayal of how it was in the beginning, the fall of man, and then God's provision of Redemption back to Him through His Son the Lord Jesus Christ.

There will be plenty of activities going on at the Camp and in Kentucky. The house we have rented in Kentucky has an above ground swimming pool, pool table, ping pong table, a grill on the patio, and 80 acres of exploring.

The Camp weeks are: Girls ages 7-16 July 2-7

Boys ages 7-16 July 9-14

Please keep us in prayer for safety, blessings, an increased awareness for the Lord in the lives of each one attending, and Salvation for those who may not know Jesus as Lord and Savior.

All for our Lord and Savior Jesus Christ,
Mark & Betty Dudley
